

KILLYMAN PRIMARY SCHOOL

Parent Response Form

(To be completed, signed and returned to school)

It is the aim of everyone involved in the management and day to day running of our school to create an environment in which every child:

- a) feels safe and secure;
- b) knows that they are valued as an individual;
- c) is encouraged to develop, both in their learning and their social skills.

To this end we want to draw the attention of every parent to the policy statements (*Child Protection, Discipline, Homework*) the *School Rules, Home/School Agreement* and *Use and Guide to the Internet* which have been sent to every home.

➤ Have *you* read them? Yes/No

➤ Would you like to comment on them? _____

➤ Have *you* discussed the relevant parts with your child? Yes/No

➤ Did any issues arise from these discussions? _____

If school and home work together, establishing limits and standards of behaviour, both environments will be the better for it. We, in *Killyman Primary School*, are proud of the good relationships which exist between both teacher/pupil and teacher/parent. It is our policy that if a child/parent has a problem or worry they can discuss it with the relevant member of staff and their confidence will be respected.

We look forward to your response to our Parent Information Pack. If you have any other queries or want more information in any area you can use the space below.
